Therapeutic Oasis Announces Allison Moyel, RSW has joined the Clinical Team in Jupiter Florida.

Jupiter, FL – November 18, 2020: The Jupiter Office of Therapeutic Oasis is pleased to announce that Allison Moyel, Registered Clinical Social Work Intern has joined their practice and has become part of their clinical team.

Allison Moyel earned both a Master's Degree in Social Work from Barry University and a Master's Degree in Health Science Education from the University of Florida. Through her work in pediatrics and teaching high school students, she has many years of experience dedicated to helping adolescents and families. Most recently, Allison has worked extensively with victims of domestic violence and family members of those suffering from mental illness.

Allison's passion is working with clients across the lifespan including children, adolescents, adults and their families living with emotional dysregulation, depression, anxiety, self-harm, and suicidality. Using a trauma-informed, client-focused, and strengths-based approach, she partners with the client to help them become the best versions of themselves. Allison creates a compassionate and safe space for the client to engage in the therapeutic relationship. She states that she "loves empowering clients to recognize their individual strengths that will assist them along their journey to garner the courage and hope to achieve a life worth living."

About Therapeutic Oasis

Therapeutic Oasis of the Palm Beaches was founded in 2013 by Psychologists Dr. Patricia Shutt and Dr. Nicole Friedman and Registered Dietitian and Nutrition Therapist Christie Caggiani. In 2019, with additional owner, Marriage and Family Therapist, Clara Bossie, Therapeutic Oasis opened a second location. To date, the practice has guided hundreds of patients through their journey to health, happiness and peace via short-term and intensive therapy. With two locations now at 851 Broken Sound Parkway NW (Suite 250) in Boca Raton and 600 Heritage Drive (Suite #130) in Jupiter, Florida, Therapeutic Oasis offers an intimate healing environment designed to feel safe for clients and their families. Its growing staff of dedicated and skilled providers work collaboratively with a team-based approach to provide psychologically sound, evidence-based individualized treatment and integrative services that encourage mindfulness and balance. As a therapist-driven program, the holistic practice can work in tandem with psychiatrists and other medical professionals to curate expert teams for each client that may also encompass nutrition, yoga and other modalities.
